	Johannes Treutler				2020-06-26 11:14:23.000 AM	
	Good morning Connor, this week we need to buy 420,906 CEL Estimated cost 16.5 BTC We will start the purchase in the mid of the AMA					
	Connor Nolan				2020-06-26 01:57:37.000 PM	
	ok will send BTC					
	Connor Nolan				2020-06-26 01:58:59.000 PM	
	dont you think people are probably realizing we do this every friday and profiting from it in market?					
	Johannes Treutler				2020-06-26 02:18:36.007 PM	
	As of today I don't see anyone trying to play it. No front running. No manipulation of the calculation snap shot. No talk on the community chats about it. But going forward you and me wanted to develop different strategies that change from week to week and try different modes .. so the potential issue that people start to realize and play us would get smaller .. Buuuut this week with the big funding AMA we need to one last time do the same like last week and try to make a big impact and spread positivity so people love the raise (you know what I mean) => But I'm excited to start with our more diversified and tactical strategies next week 🤖					
	Connor Nolan				2020-06-26 02:23:33.007 PM	
	Ok yes we should start that next week					
	Johannes Treutler				2020-06-26 02:47:13.007 PM	
	Absolutely agree					
	Connor Nolan				2020-06-26 03:51:41.007 PM	
	BTC is there - let me know when you wish to begin					
	Connor Nolan				2020-06-26 03:53:43.007 PM	
	Just looking at the charts for the last few weeks purchases looks like the price rises on thursdays into friday when we purchase - so not necessarily sure I agree that the market hasnt read this					
	Johannes Treutler				2020-06-26 04:48:55.010 PM	
	Let's discuss about this later, I have some data about it to show you. Maybe it's best to schedule a call mid next week =>					
	Connor Nolan				2020-06-26 04:49:06.010 PM	
	for sure					
	Johannes Treutler				2020-06-26 04:49:13.010 PM	
	For this week, what's your idea?					
	Connor Nolan				2020-06-26 04:50:19.013 PM	
	nothing we can do to change this week - We can follow your original plan this morning to do today during the AMA					
	Johannes Treutler				2020-06-26 05:00:59.013 PM	
	Ok. Maybe like this: 21k Market 50k 0.000038 350k 0.000036					
	Johannes Treutler				2020-06-26 05:01:10.013 PM	
	What's your opinion?					
	Connor Nolan				2020-06-26 05:04:40.013 PM	
	let me look					
	Connor Nolan				2020-06-26 05:04:50.013 PM	
	u wish to start now?					
	Connor Nolan				2020-06-26 05:06:59.013 PM	
	plz confirm and I will					

Johannes Treutler	2020-06-26 05:07:04.013 PM
Yes let's start	
Connor Nolan	2020-06-26 05:08:25.013 PM
all done	
Connor Nolan	2020-06-26 05:08:50.017 PM
1k filled on the 50k	
Johannes Treutler	2020-06-26 07:49:20.017 PM
thank you	
Johannes Treutler	2020-06-26 07:49:34.017 PM
I think we can update the order what do you think?	
Johannes Treutler	2020-06-26 08:02:16.017 PM
The 350,000 is still untouched .. here is my suggested adjustment: • 50,000 @ 0.00004 • 300,000 @ 0.000038	
Connor Nolan	2020-06-26 08:09:46.017 PM
ok let me take a look	
Connor Nolan	2020-06-26 08:10:25.017 PM
so we are doing it all today?	
Connor Nolan	2020-06-26 08:10:31.017 PM
those willfill instantly	
Johannes Treutler	2020-06-26 08:10:51.017 PM
only the 50k at 40 will fill instantly	
Johannes Treutler	2020-06-26 08:11:18.017 PM
the 300 k at 38 will stay there for a while	
Johannes Treutler	2020-06-26 08:11:39.017 PM
we can also do the 300k at 0.0000375	
Johannes Treutler	2020-06-26 08:11:48.020 PM
a tiny bit more conservative	
Johannes Treutler	2020-06-26 08:11:55.020 PM
what do you think?	
Connor Nolan	2020-06-26 08:12:28.020 PM
read it quick and saw the prices reversed my fault	
Connor Nolan	2020-06-26 08:12:52.020 PM
I agree withthe original plam	
Johannes Treutler	2020-06-26 08:12:59.020 PM
we can only get a instant will with 350k at 0.000045	
Johannes Treutler	2020-06-26 08:13:39.020 PM
and I really don't want the order to get filled today .. would love to keep udating it until monday ☺	
Johannes Treutler	2020-06-26 08:13:51.020 PM
Ok let's do the original plan	
Johannes Treutler	2020-06-26 08:13:54.020 PM
cool	
Connor Nolan	2020-06-26 08:14:48.023 PM
sodid the 50k at 40 and 350 at .000038	
Connor Nolan	2020-06-26 08:15:00.023 PM
my fault on confusion didnt fully look at time	

 Johannes Treutler

2020-06-26 08:15:52.023 PM

---

no problem !! I really appreciate that you double check everything !! Really appreciate it
